PRODUCT DEMOS

You know *Liquid Nails* construction adhesives can bond just about everything together. But how fast? How strong? In wet conditions? What about this to that? Even below freezing?

See for yourself.

A SOLID CHOICE FOR SUBFLOOR

One floor is made with LIQUID NAILS® Brand Subfloor & Deck Construction Adhesive. The other, only features. Step on both and see for yourself which is sturdier, and why choosing Liquid Nails now can lead to a solid floor with fewer cracks and squeaks in the long run.

GIVEAWAYS

Grab some FREE snacks.
Talk shop with us.
Take some *Liquid Nails* brand freebies with you.

And did we mention snacks?
